

PABLO RUEDA

Junior Front End Developer

ABOUT ME

Two beliefs drive my career: **we can learn anything** and **actions speak louder than words**. To proof these beliefs I have my portfolio, where you can see some of the projects I developed when moving from **Statistics to Front-end** development: <https://pablorueda.com/en/>

WORK EXPERIENCE

Front-end development

Client website (<https://bit.ly/30EWq4e>)

Tech: HTML, CSS, SASS, React.js, Gatsby

Freelance client website. Created completely by me from the design to the deploy.

Covid Tracker (<https://bit.ly/3tpcNyh>)

Tech: HTML, CSS, React.js

Covid Tracker App linked to [M-Media Covid API](#) to obtain CoVid real data.

Personal Portfolio (<https://pablorueda.com/en/>)

Tech: HTML, CSS, SASS, React.js, Gatsby

My personal portfolio, created fully with React.js and Gatsby.

Game of Life (<https://bit.ly/3eBwAGv/>)

Tech: HTML, CSS, React.js

Game created to practice in DOM manipulation and Object Oriented Programming with React.
